Pharmacist

Whole Health Pharmacy Partners is currently looking for the right pharmacist to fill an important role within the company. Starting mid-March 2019, this unique position will challenge the pharmacist to continue our legacy of creating interesting and different pharmacy professional programs for our banner group of stores. Some knowledge of pharmacy industry and programs is an advantage but the candidate is best suited to a new practitioner with creative and innovative ideas. A competitive wage and benefit program is available.

NOTE: This is a Maternity Leave contract position of approximately 13 months in length, strong possibility of continuation of a role within the company exists at the conclusion of the contract period.

Please contact Dean Miller, President Whole Health Pharmacy Partners for details and interest (dean@wholehealthrx.ca)
