SESSIONAL CLINICAL LECTURER

The Leslie Dan Faculty of Pharmacy, University of Toronto, invites applications for the position of Sessional Clinical Lecturer to co-coordinate the required course, **PHM 202H1 Pharmacotherapy 3: Endocrinology/Nephrology/Urology**, which is offered in the fall term of the second year of the Doctor of Pharmacy (PharmD) program. The anticipated dates for this sessional position will run from August 15, 2019 until January 30, 2020.

This course is designed for pharmacy students to develop a broad understanding of pathophysiology, pharmacology, clinical pharmacokinetics, and pharmacotherapy in major areas of endocrinology, nephrology, and urology, and uses a problem-based approach with emphasis on the integration and application of fundamental principles to specific clinical situations. This course builds on general knowledge and skills gained in the first two required pharmacotherapy courses and will serve as an important foundation for other Pharmacotherapy and Medication Therapy Management courses. Topics covered include: pathophysiology, epidemiology, clinical presentation, risk factors, drugs that may cause/exacerbate, natural history, diagnosis and differential diagnosis and classes of medications used for the following conditions: thyroid disorders, metabolic syndrome/prediabetes, type 1 and type 2 diabetes, and associated diabetic complications (including diabetic ketoacidosis, retinopathy, neuropathy, gastroparesis, nephropathy; acute kidney injury, chronic kidney disease, and associated complications; benign prostate hyperplasia, erectile dysfunction, urinary incontinence (stress/urge/overflow incontinence).

This 39 hour course will consist of didactic lectures and case-based discussions to enable students to develop skills integral to patient assessment and optimizing drug therapy for patients with these conditions. The expected enrollment for the course is 240.

Applicants should at a minimum, be a Pharmacist licensed in a Canadian jurisdiction, possess a BScPhm or a PharmD degree and experience working within the Canadian Health Care system. The successful candidate must demonstrate excellence in teaching, currently practice in, and demonstrate a strong knowledge of the relevant topics, and, possess excellent organization and communication skills. Experience in the development and delivery of courses is an asset.

For specific questions about this position, please contact: Dr. Jamie Kellar, Acting Director, PharmD Program, Leslie Dan Faculty of Pharmacy (jamie.kellar@utoronto.ca).

Please submit your application to AcademicHR.phm@utoronto.ca. Applicants should include a cover letter, current curriculum vitae, a statement of teaching philosophy, and the names and contact information of three referees. The deadline for applications is **August 9, 2019**; the position will remain open until filled.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities, members of sexual minority groups, and others who may contribute to the further diversification of ideas.
