Part Time Pharmacist

Costco Pharmacy located in Peterborough is looking for a part time pharmacist. Being centrally located in the city, we get to see and help hundreds of patients each day.

Responsibilities of the job include typical pharmacist related tasks such as data entry verification, checking for interactions, checking baskets, counselling, injections, med reviews, etc. Methadone training is not required.

We're looking for a part time pharmacist that can commit to 25-30 hrs a week during the flu season (Oct - Jan) and 10-20 hrs a week afterwards. Some perks include a good wage, overlapping pharmacists, lunch breaks, as well friendly and knowledgeable staff members, including registered technicians. The pharmacy system uses Kroll software.

Interested candidates can email their resume or any questions to the Pharmacy Manager at w591phm@costco.com.
